## HIDDEN FROM THE HEADLINES CASE OF THE ANTI-TERRORISTS

On March 10, 2004 a Miami court will hear an appeal on the case of five young Cubans who were working to prevent terrorism. Exactly who are the Cuban Five and why are they being held prisoner in the United States? The Five; **Gerardo Hernández, Antonio Guerrero, Ramón Labañino, Fernando González, and René González**, were solely involved in stopping terrorism but the FBI arrested them in Sept. 1998, while the real terrorists go free. Learn why and how these men, serving 15 years to life in U.S. federal prisons, have been falsely convicted by the U.S. government for supposed espionage, when in reality they were monitoring ultra-right terrorist groups that operate from Miami and have committed countless acts of terrorism against Cuba. Many of these groups have operated with the full knowledge and support of the CIA.
