

NO WAR ON CUBA MOVEMENT PRESENTS:

US-CUBA RELATIONS PAST & PRESENT

TOWN HALL MEETING!
Tuesday, June 24th, 6-8:30pm
All Souls Church
Corner of 16th St. & Harvard St., NW, Wash. DC

In recent weeks US policy towards Cuba has become more aggressive and there are serious indications that the Bush regime's foreign policy against our struggling neighbor will become even more hostile. Currently there is a flurry of misinformation, half-truths, and out-right lies being used to justify more aggressive measures against Cuba. Join us for an open discussion about US-Cuba relations. We hope to shed light on the current political and economic situation between our countries; the historical context of the US blockade against Cuba and increased US intervention in the island; the effect of the US blockade on Cuban Americans and US citizens; the humanitarian achievements of Cuba in the face of the US blockade; and the case of the five Cuban patriots who are being unjustly held in U.S. prisons.

Noted speakers include:

- **LEONARD WEINGLASS**, ATTORNEY FOR ANTONIO GUERRERO, ONE OF THE FIVE CUBAN PATRIOTS BEING HELD UNJUSTLY IN US PRISONS, ETC.
- **REV. LUCIUS WALKER**, FOUNDER OF PASTORS FOR PEACE
- **JOSE PERTIERRA**, CUBAN AMERICAN IMMIGRATION RIGHTS LAWYER
- **CUBAN INTERESTS SECTION REP.**, THE OFFICIAL DIPLOMATIC OFFICE OF CUBA IN THE U.S.
